A Sure Start Children's Centre

The Children's Centre is a place where local families with children aged birth-5yrs, expectant mothers and local residents can access services and information, a one-stop-shop for the community.

New 2nd home for the Children's Centre now open on Ascot High Street!

A new 2nd home for the Children's Centre, located between Barclays and Lloyds banks on Ascot High Street (Old Parish Council Offices in parking area) is now starting to deliver services.

This is really exciting for us, as we will be able to offer many more services to our local families as well as providing a more central location for Parents and Carers to drop in on their way past.

Our current location at South Ascot Village Primary School will continue to operate as it does currently. Our outreach services of Stay and Play sessions, Saturdads, Breastfeeding Cafe and Holiday activities will also continue.

We hope you will pop in and see us when out and about in Ascot!!

Calling all Parents!!

We are looking for parent volunteers to join the Children's Centre Advisory Group. This is an opportunity for you to help shape future community services for local families, and input your thoughts and ideas.

At present the group consists of representatives from a variety of services such as Midwifery, Childminders, Pre School Leaders, Health Visiting and the Children's Centre. We currently have one parent who attends!

We need more of you!

We meet just 3 times a year—if you would be interested, please contact Laura at the Children's Centre for more information.

We hope to hear from you !
